ASANDA THABISO NDHLELA

OBJECTIVE

I am an aspiring Web Developer and a student at Cape Peninsula University of Technology, where I study Information and Communication Technology (ICT). I have a strong interest in Application Development, Mobile Web Applications, and Multimedia. I am eager to apply my academic knowledge and contribute to innovative real-world applications. I am passionate about creativity and staying abreast of technology trends. I am proactive, detail-oriented, and committed to continuous growth within the field.
